Are your tried and true strategies getting monotonous, boring, stale, or just ineffective? When you check for understanding, do your students give you a blank stare? Then this workshop is for you.

Participants will receive a variety of lesson plan templates to make planning efficient and effective as well as a resource folder filled with step by step instructions for strategies that can be used the next day.

**Note: Participants will need to bring their lesson planner in order to identify what they currently do and where they can add POP!!**
